## Synopsis of Chapters

### CHAPTER ONE

#### **The Mystery of Willful, Sinful Suppression of Church History By Its Leaders**

**SYNOPSIS:** The key to understanding prophecy lies in a knowledge of Church history, coupled with a familiarity of the lives and doctrines of the true saints and martyrs. This pertinent knowledge has purposely been covered-up by such 'great' men of God as Rev. Billy Graham. Shamefully, it has also been passed over in silence by the vast majority of pastors, Bible teachers and apologetic ministries today.

### CHAPTER TWO

#### **The Fight Fought By Few**

**SYNOPSIS:** For nearly 200 years there has been a satanically inspired movement in the Protestant Church, the purpose of which is to misdirect and confuse the ignorant sheep, keeping them from identifying the papal Antichrist and his church headquartered in Rome, Mystery Babylon. Drunken, sleeping prophets in leadership positions are the norm, not the exception. Names are named and reasons are given for exposing them as false prophets.

## **CHAPTER THREE**

### **Antichristspeak**

**SYNOPSIS:** To properly understand the abundant prophecies dealing with Antichrist, one must first learn the language and define the terms. For example, the Greek prefix anti has a two-fold meaning: 'opposition to' and 'substitute for.' The Latin term vicar, as in The Vicar of Christ, means 'representative' and 'substitute' for Christ. It is in this sense that the Roman Catholic Church readily admits the Pope to be Antichrist, as Christ on earth. However, the teachings and fruit of the Popes declare them to be anti or opposed to Christ. The 'secret' Rapture is exposed as a false teaching as II Thess. 2 is expounded in detail. The suppression of truth is evidenced in all modern Bible commentaries of this key passage.

## **CHAPTER FOUR**

### **More Antichristspeak: Daniel's Disquieting Night Visions**

**SYNOPSIS:** The Old Testament prophecies of Daniel are paramount in laying the foundation for a right understanding of the New Testament prophecies on Antichrist. Popular theories and interpretations current today are renounced and refuted. The papacy is proved to fulfill all Daniel's prophecies.

## **CHAPTER FIVE**

### **The Ominous Revelation of Jesus Christ: The Murder Mystery of Iniquity Solved**

**SYNOPSIS:** The book of Revelation is examined and opened. It consists of an historical murder mystery which few have solved in this apostate generation. However, the saints through the ages have known the identity of the victims and the identity of their murderers. With such critical knowledge, they were able to identify Antichrist and Mystery Babylon, exposing them for all to see. Those who continue to befriend Antichrist, despite the numerous warnings, are those whose

names are not written in the Lamb's Book of Life. The impossibility of a 'secret' Rapture which saves Christians from tribulation is proved from the Revelation. The name of the Beast, *Lateinos*, is proved.

## **CHAPTER SIX**

### **The Holy Roman Empire Strikes Back: The Final Solution to the Cathar Question**

**SYNOPSIS:** The Cathar Albigenses of Southern France in the 12th- 13th centuries were true Christians persecuted and exterminated by the Roman Catholic Church by order of the papal Antichrists. Their doctrines are expounded and shown to be Reformed. The hard to find translation of the document and bulla, *Ad abolendam*, (foundational decree for instituting the Holy Inquisition), is given. The illegal trials and death of Jesus is proved to be a foreshadowing of the Inquisition and persecution of the saints to come. The Mark of the Beast is identified with numerous proofs. Enigmatic passages in Revelation 11: 9 & 13:17 are interpreted in light of Roman Catholic authoritative documents. Manifold Church councils are cited which decree extermination of alleged heretics.

## **CHAPTER SEVEN**

### **The Twisted Faith, Hope and Charity of 'Innocent' III**

**SYNOPSIS:** Pope Innocent III proved to be Antichrist, the king of the locusts, who killed the saints because of the biblical faith they held in Jesus. The little-known 13th century Crusade against the Albigenses of Southern France is examined, as are the other massacres occurring during Innocent's reign. The sign of the cross is identified as the visible Mark of the Beast. The signing of the cross on the forehead is proved to be the spiritual Mark of the Beast.

## **CHAPTER EIGHT**

### **Innocent IV: King of Pain**

**SYNOPSIS:** Pope Innocent IV decreed torture for Christian heretics who refused 'to tell the truth,' i.e., confess to imaginary crimes. Further atrocities of the Catholic Church are examined in detail, e. g., eyewitness testimonies of the Portuguese and East Indian Inquisitions, the spirit of Antichrist is exposed in the cruelty of the Roman Church, while numerous recent unspeakable sex crimes by the Catholic priesthood are enumerated.

## **CHAPTER NINE**

### **Those Wonderful Waldenses: Peter Waldo and the Poor Men of Lyons**

**SYNOPSIS:** A brief history of little-known 12th century Peter Waldo and his Christian followers is given. Declared heretics by the Church of Rome for preaching the Gospel, their doctrine and God-fearing lifestyle is delineated by Roman Catholic Inquisitor Rainerius, proving their orthodoxy. The Waldensian *TREATISE ON ANTICHRIST*, which condemns the Church of Rome, is reproduced almost in its entirety.

## **CHAPTER TEN**

### **The Seven Hills of Rome: Eternal City or City of the Damned?**

**SYNOPSIS:** Revelation 17 opened and explained.

- Irrefutable location of Mystery Babylon is proved.
- She is a church, not the virgin bride of Christ, but the harlot bride of Antichrist and Satan.

- She is not Holy Mother Church, but profane - the great whore, the mother church of all harlots.
- The debauchery of the Holy Roman See is examined in detail with eyewitness testimony given.
- The cover-up by misled Protestant leadership is proved.

## **CHAPTER ELEVEN**

### **Holy Ghost Testimony of the Saints Against Antichrist**

**SYNOPSIS:** This testimony is to be believed as the God-breathed and inspired Word of the Father, Son and Holy Spirit: Matt. 10:17-20, Mark 13:9-11, Luke 12:11-12, and Luke 21:12-15. Excerpts are included from the witness of the following saints and martyrs who all identified the papal Antichrist and his harlot church, Mystery Babylon:

- Savonarola, 15th century Italian Roman Catholic preaching monk burned for his warnings of the coming wrath.
- Peter John Olivi, 14th century French Roman Catholic Franciscan Spiritual leader, excommunicated for broadcasting his heretical views.
- Walter Brute, 14th century English Lollard leader, testifying before a Roman Catholic tribunal for publicly denying Transubstantiation and the headship of the Pope.
- John Wycliffe, English Lollard leader who was to be the bane of the 14th Church of Rome. His bones were exhumed and burned, as a display of Rome's utter displeasure with his teachings.
- John Huss, 15th century Czech Protestant burned by decree of the Council of Constance for his unorthodoxy.
- Bishop John Hooper, 16th century English Reformer burned for broadcasting the biblical Protestant faith.
- Archbishop Cranmer, 16th century English Reformer burned for exposing the papal Antichrist and his lawless works.

- Bishop Nicholas Ridley, 16th century English Reformer burned for opposing Antichrist and his harlot church.
- Bishop Hugh Latimer, burned with Ridley by order of Queen 'Bloody' Mary.
- John Calvin, 16th century French Reformer and scholar par excellence.
- John Knox, 16th century Scot Reformer who was relentless in his pursuit of scriptural truth and worship.
- Martin Luther, 16th century ex-Roman Catholic German theologian who lit the fire of the Reformation for all time.
- William Tyndale, 16th century English Reformer strangled and burned by Catholic authorities for translating the New Testament into the English language.
- The Reformed Confessions of Faith which all identified the papal Antichrist, that Man of Sin.

## **CHAPTER TWELVE**

### **Onward Nazi Christian Soldiers**

**SYNOPSIS:** The atrocities committed against the Jews, Gypsies, Jehovah's Witnesses, Freemasons, political dissidents and others were all committed by 'Christians', consisting primarily of Roman Catholics and Lutherans. Adolf Hitler was a baptized, confirmed Roman Catholic, as were the vast majority of his high-ranking henchmen, including Martin Bormann, Joseph Goebbels, Herman Göring, Heinrich Himmler, Rudolf Höss, and Josef Mengele. The silence of Pope Pius XII, who knew of the concentration camps and exterminations through his network of loyal spies, proves he is Antichrist by not reproofing Hitler, thereby casting out Satan. In addition, it is well documented how the Roman Catholic Church aided and abetted the escape of Nazi war criminals through routes to South America, called 'Rat Lines.' Her monasteries and convents were utilized as Nazi hiding places.
